

Sprint 1 Report

RCV, Team: RCV, Date: 24 April 2016

Actions to stop doing:

- Missing Scrum Meetings/Other Meetings
- Postponing firm timeboxed enddate for sprint (adjust/replan following sprints if necessary)

Actions to start doing:

- Consistently contributing/furthering progress everyday, to stay on track
- Comment on the code we write

Actions to keep doing:

- Reading/Learning necessary concepts & tech necessary to implement user stories
- Communicating on Slack

Work completed/not completed:

Work Completed:

- As a developer, I want to write code in Typescript and have it transpiled to ES5. (Story Points: 10)
- As a developer, I want to use Webpack for module loading, and have it setup to bootstrap our app. (Story Points: 2)
- As a developer, I want to be able to write unit tests with Jasmine and run them (Story Points: 5)
- As a developer, I want to write styles in SASS and have them compiled to CSS. (Story Points: 2)
- As a development team, we want to have mockups of the interfaces that will be implemented in our final product. (Story Points: 10)

Work Not Completed:

- None

Work completion rate:

User stories completed: 5

Total number of estimated ideal hours completed: 14

Total number of days during the prior sprint: 10

User stories/day: 0.2

Ideal work hours/day: 1.4

Burn-up Chart:
